

**IMPORTANT INFORMATION FROM THE CHATEAU DU LAC
ARCHITECTURAL CONTROL COMMITTEE**

A written request must be approved before conducting any exterior improvements; this includes adding landscaping, stone edging, patios, structural additions, etc.

The ACC committee is here to assist you in making improvements to the exterior of your home or property. We are responsible for ensuring that all property modifications comply with the Covenants, Conditions and Restrictions (CC&R's).

The following items must accompany requests for property improvements:

1. A copy of your plat survey with the improvements drawn out indicating where they will occur. You should have received your plat survey from the title company when you closed on your home. The plat survey is required for all requests; no request will be approved without this survey.
2. If someone other than yourselves is performing the work, you must list the name of the person or company performing the work.
3. The materials being used must be listed (slate, treated wood, aggregate, concrete, type of roofing materials, etc.).
4. Do not leave out details; be as descriptive as possible. Lack of details only delays the approval process.

Please send all requests to Legacy Southwest Property Management. Their information is given on the ACC Improvement Application and Review form.

Construction Restrictions

The following are restrictions and guidelines as described in the Chateau Du Lac HOA CC&R as they pertain to improvements made to your home.

1. No work is to begin without prior approval from the Architectural Control Committee and, if necessary, a permit from the City of Flower Mound has been received.
2. Only your property is allowed to be used for all phases of construction. Your neighbor's property or any property belonging to Chateau Du Lac HOA is not to be used in any way to access, store or transport any equipment, persons or vehicles.
3. No equipment is to be left overnight unless it is stored inside your enclosed garage. Contractors must remove all equipment at the end of each day's work.
4. No commercial vehicles are to be parked overnight except inside your enclosed garage.
5. Work can only be conducted during the times defined by the city of Flower Mound.
